

This Sunday – the FEAST of Divine Mercy - is the last hope in the days of Judgement of the world

“Do not scorn the Love of GOD!”

“World purification has begun!”

From the famous place of pilgrimage, *Medugorje* (Bosnia-Herzegovina, part of the former Yugoslavia), the mankind is called upon to take part in the most important DAY of Grace for anyone, the **FEAST OF THE DIVINE MERCY** on the first Sunday after Easter. The importance of *Međugorje* is to be seen by the number of apparitions by the **BLESSED MOTHER**, more than **10.000 times** until the year 2000, and, by the number of priests who called in, **more than 24.000 by the year 2000**. The messages above were spoken of the LORD in March 2008 in Medugorje

JESUS gave the **FEAST OF THE DIVINE MERCY** to the holy sister *Faustyna* of Poland (Krakow) in the year 1935 as **the last anchor of salvation for the souls**. This FEAST is an **unbelievable gift of Mercy**. JESUS promises to **forgive all sins of life, to forgive all the punishment by suffering in hell for eternity or in the purgatory** as penance to the Justice of GOD and to give Great Graces during the Novena - prayer with the **CHAPLET OF THE DIVINE MERCY**. As a result the soul can become as **pure as an infant at baptism**. Each soul that takes part at this Sunday, the first Sunday after Easter, at the **SACRAMENT OF MERCY** (Holy confession) and at the **SACRAMENT OF LOVE** (Holy Communion) can receive forgiveness.

It must be known, that **nearly everybody has to go on the way to purgatory** - a place of terrible sufferings - **or to the hell**, because only the holy and little souls washed pure by the blood of JESUS CHRIST can go to heaven. This was announced by the MOTHER OF GOD in *Medugorje* and by JESUS in a long instruction to *Carmela Carabelli* of Milano.

The Holy Father, Pope *John Paul II*, officially endorsed this FEAST for the Catholic Church in the year 2000. But experience has been that there is nearly **no interest in the church and among the priests to make this greatest FEAST for every soul well known**, a FEAST of unbelievable Grace. Neither do they obey the will of GOD wherein they are supposed to **celebrate this FEAST with praise for Mercy, exhibiting the picture of Graces given by Faustyna**, and, to greatly celebrate this gift for every soul.

Details with the words of GOD about this FEAST may be found at the website www.barmherzige-liebe.com. In the website www.jesus-comes.com a compilation can be found with many words of GOD about the **beginning of the End, the Judgement and punishment for the whole world**. **This was told as the Apocalypse in the revelations from St. John**. All these revelations have been confirmed by some souls, who are living in and around *Medugorje*, also where, GOD spoke at Christmas time:

„The earthquake in Indonesia is a small beginning of the punishment all over the world!“

After the very long time of 65 years the Vatican has also added a Plenary Indulgence to this FEAST, which is to remain perpetually in place. It is allowed for one to go to **CONFESSION** up to about 20 days, before or after, Divine Mercy Sunday.

But **these 20 days for CONFESSION** before the FEAST of DIVINE MERCY is a **great disobedience to the LORD**. JESUS requested that we take the 2 SACRAMENTS on this DAY. Here is the message from Heaven spoken to a victim soul in Medugorje about the disobedience:

*“No priest is permitted to change something! Oh, you priests!
The CRU of your Mother!”*

Because of the **disobedience to the LORD** we asked through a channel to Heaven in Croatia about the **time for Confession**. We received a rather sure answer that the time until **7 days before the FEAST OF DIVINE MERCY is now permitted**. But nobody shall forget, especially the priests, this is **another great Mercy of the LORD** to save many souls in these times.
