

Information as supporting material for the press release

About me as the responsible person for this information:

Since 1982 approximately, I have been receiving GOD's revelations which nowadays are condensed with the actual news. So the incentive was given to me **on the 1992 at the end of the Gulf war** that the next war will happen in Yugoslavia. Few weeks later, that terrible war commenced, which, through **warning**, the VIRGIN MOTHER has briefly announced in **Her Messages from Međugorje**. From the beginning of Her apparitions in 1981, she was talking about **incoming**

tragedy to this country, if it does not convert. At the question on the independence of Croatia she said that it will happen after the „small“ war.

A little bit before the terrible disaster caused by explosion of the nuclear reactor in Chernobyl I saw the big dangerous cloud coming from the East from the area of former Union of the Soviet Socialist Republics over the Europe.

At the end of the last year it was announced to me one Friday and on a day of the apparition of the VIRGIN MOTHER **upcoming warning very fast spreading over the world**, which could have happened according the calendar only **on 25 January or second May 2008. The Big Hurricane in Burma causing according to estimation 100.000 dead**, happened on Friday the second May 2008 on the day of apparition of the VIRGIN MOTHER in Međugorje with the seer Mirjana. The message was given to me:

„I killed the people.“

GOD IS LORD OF LIFE AND DEATH and He decides about the reality of the things in the large areas. In the night of the big **earthquake in China**, the LORD has announced to me the next disaster, which will at present continue in short breaks after the announcements as warning, as punishment and as purification through suffering.

Following are parts of the few other announcements and warnings that arrived to me:

“The whole world will soon be plunged into the awful purifying fire.” (July 2007)

“This new terrible DAY shall come. I use it for salvation of the souls.”

“Soon it will come all over the world. But it will be a great punishment.”

“My little souls do not listen any more to My Voice!”

“They obey to the wild teachings of the priests!”

“No one can speak as GOD's SON! Oh, what upside-down people you are! “

„I speak to you, My children, in the name of the FATHER, SON and HOLY SPIRIT. “

Remembering to the BIBLE

„On that DAY I shall rebuild the tottering hut of David, make good the gaps in it, restore the ruins and rebuild it as it was in the days of old, for them to be Master of what is left of Edom and of all the nations once called Mine. Yahweh declares and He will perform it.” (Book of the prophet Amos, 9 - 11, 12)

“For look, the DAY is coming, glowing **like a furnace**.

All the proud and all the evildoers will be the stubble, and the DAY, when it comes, will set them ablaze, says Yahweh Sabaoth, leaving them neither root nor branch. (...)

Remember the Law of My servant Moses to whom at Horeb I prescribed decrees and rules for all Israel.

Look, I shall send you the prophet Elijah before **the great and awesome DAY of Yahweh comes.**” (Book Malachi, 3 – 19, 22, 23)

“You will hear of **wars and rumors of wars**. See that you are not alarmed, for this is something that must happen, but the end will not be yet. For **nation will fight against nation**, and kingdom against kingdom. There will be **famines and earthquakes** in various places. All this is **only the beginning** of the birth pangs. (...)

So when you see the **appalling abomination**, of which the prophet Daniel spoke set up in the holy Place (...)

For then there will be great distress, unparalleled since the world began, and such as will never be again. And if that time will not be shortened, **no human being would have survived**. But shortened that time shall be, for the sake of those who are chosen. (...)

Immediately after the distress of those days the **sun will be darkened**, the moon will not give its light, the stars will fall from the sky and the powers of Heaven will be shaken. And then the sign of the son of man will appear in Heaven.”

(GOSPEL of St. Matthew, 24, 6-8, 15, 29-30)

Message through Christina Gallagher, Ireland, on October 10th 2008

Christina: “Our BLESSED MOTHER started to speak to me. I was listening to her and forgetting to write. Then there was a silence. Then Our Holy MOTHER said:

“My Child, I desire you to write. My Children, I am your MOTHER of Truth and Love. I plead with you to **read the signs of your times**. The world is on the brink of its destruction. The evil one is on every door step. Your hearts are full of aggravation concerning the things of the world and who is right or wrong. Are you **unable to recognize all the signs** that are before your eyes?

My House of Prayer, My message and My messenger are under attack. My messenger endures beyond human endurance. She will be upheld in the Light of GOD in Truth. You, My Children, who desire to continue to pull My House of Prayer apart through lies, will endure the justice of GOD for the **loss of millions of souls**. GOD has put that house there to save many millions of souls especially the souls of the youth. My children, by responding now the multitude of souls may still be saved.

The third world war is imminent. Its destruction is unthinkable. So many of you occupy your hearts in condemnation of My children who have to uphold My message in the most horrible circumstances.

I invite you through My Call of Love and truth to enter My Confraternity in Love and Peace surrendering to do all that is possible to protect My messenger. **Otherwise all will be lost in My plan in Ireland and the World**, because GOD has chosen Christina to guide you through His guidance in the times that are at hand: you will need her. **Many of the youth of the world maybe lost** through your disbelief in responding to My call. GOD will not fulfill My call for souls without My messenger's safety and that too is becoming unsure. I plead with you to **respond before it has gone past the hour**.

The anti-Christ is drawing his plan together and drawing with him a **multitude of souls**.

All the dangers I have warned you about are with you. How can you remain deaf and blind to all I have called you to do in the past twenty years?

How can you run from your LORD who is Truth and from your MOTHER who Loves you and desires to protect you in soul and body. I bless you, FATHER, SON and HOLY SPIRIT.”

“My understanding at the time of the message given was that if people **respond now** by entering Our Holy Mother's Confraternity in Love and Peace in all that she has requested, the **millions of souls can still be saved**.” (Christina)

Message through Christina Gallagher, Ireland, January 23, 2006

Our BLESSED LADY spoke to Christina:

"The works I have asked for are to be secured immediately. Not only are they to bring protection but the prayer offered therein is to keep the union between GOD and His people protected because the seed of evil in the form of anger, aggression, hate, violence and even murder is already in the hearts of many and without prayer will reach the hearts of many more and this will increase enormously."

OUR LADY then told Christina that **the stock market would collapse** and cause **tremendous confusion**: That there **would be a war which would escalate** (and Christina assumed this to be the **third world war**.) OUR LADY went on to describe the 'illumination of soul' or 'the warning' in which everyone will recognize their nothingness without GOD.

She said there **would be a time of darkness when the day would begin by being very dark and overcast**, but that people would not associate it with anything abnormal, even though it would be abnormal. **Between 4 and 8 P.M. in our time** (that is, Irish time.) **everything would go 'black-dark' and remain in that darkness for a time**. The people broadcasting on television stations will be advising people to stay indoors, saying that scientists would soon be able to give an explanation for what was happening. Some would think it was an eclipse but it would have no natural explanation.

There would be **an explosion of fire or light in the sky** and people would tremble and many would die as they would look at the sky. **The earth would begin to shake** and **a great sound** would be heard like an **enormous groan** that would reach the ends of the earth.

OUR LADY permitted Christina to witness this event as she spoke to her but Christina was protected from the shock and terror that will accompany it. When asked by Christina how close it is, OUR LADY replied, **"It is VERY CLOSE."** Christina was made aware of the month in which it will occur but she was not told the year when this event takes place, people would then want to seek out Christina, to know more about everything to do with her experiences and they would not be able to understand **how they had ignored the messages in the past**.

When Christina asked OUR LADY why **her own sufferings** and those of her spiritual director were so drawn out. OUR LADY told her that when she and all victim souls realize **what GOD had drawn from them through their sufferings**, they would then wish that their sufferings had been doubled or trebled! When asked about some physical health problems which Christina had been suffering, OUR LADY remarked that **illness of body is not important**; it is the illness of soul that matters because it separates people from GOD and in some instances permanently.

The 3rd World War: Visions of an old woman from Norway, Valdres, in 1968

"Many times the thought came to me that **the 3rd World War** would be the same as the Great Tribulation spoken of by JESUS; but of course, I did not have any hard evidence or proof. However, the following seems to be very strong evidence that the Great Tribulation spoken of by JESUS will be called by the news media and the historians.

This is **a vision that a 90-year-old woman in Norway had in 1968**. At that time, **she foretold or prophesied that many perversions would come into the church world before the Third World War**. A minister recorded her vision, but he considered that **the perversions she described were so incredible**, that he refused to publish it. However, after 30 years, such gross perversions had come into so many churches that the minister remembered these prophetic warnings that this elderly lady had proclaimed, and he looked through his files and found her message. Now he decided that **this vision was truly a message from GOD**, and he should publish it. This minister's name is Dr. Emmanuel Minos (a well-known conference speaker in Norway). **The**

name of the 90-year-old lady is not given, but the name of her hometown was given as: Valdres.

I am presenting this for your spiritual discernment according to passage where the Apostle Paul told us to judge prophecy. (1st Corinthians 14:29). Please read and discern for yourselves. **Here is the message that was shown to the 90-year-lady and recorded by Dr. Minos:**

“I saw, just **before the return** of our LORD, **another World War**. The world appeared [in my vision] as a globe - Scandinavia, Europe and also many nations. Then I observed **certain events which would happen before the terrible catastrophe**. There were **four special signs**:

1. Prior to the world-wide conflict and the coming of the Lord, **there would be a very peaceful period**, as never experienced previously, between the powerful nations from the East and the West. In many countries there would be a disarmament programs resulting in their being completely unprepared for this crisis, which would happen in a most unexpected way.

2. **In the churches compromise and apathy would prevail and a falling away from true, living Christianity**. The Christians **will not want to listen** to serious prophetic ministry before the coming of Jesus. The messages of law and grace, sin and the GOSPEL, repentance and salvation will be **ignored**. There will be a substitute prosperity gospel.

The main emphasis will be on making an impression and being successful. **Materialism will dominate. Churches and chapels will become empty** and be **sold for other purposes**. Instead of the proclamation of the cross and following Jesus, renewal, holiness and preparation for His coming; **there will be entertainment** and cultural experiences. This will definitely increase.

3. There will be a **moral collapse** such as we have never known before in Norway. People will be living in **immorality and adultery**. There will be **uncleanness before marriage** and unfaithfulness between husbands and wives. Such actions will be considered normal and many excuses will be made. There will be **sinful relationships between men and women**. Christian families will be affected, and even allow such things to happen.

In the times before His coming, there will be an **enormous increase of Television Stations** and programs with an explosion of violence which will result in an escalation of crime, such that people will not feel safe to walk on the streets. It will be similar with the Radio Stations. People will view and listen to scenes of death and destruction, evil and wickedness, which will influence society. And this will be considered entertaining and exciting!

Dr. Minos added: The dear old lady said to me. "This will really happen and you will see it. **The good will be removed** and the evil will be regarded as quite normal."

4. **From the underdeveloped countries people will pour into Europe** and they will come to Scandinavia and also to Norway. There will be such an influx that eventually [our] people will look upon these immigrants in a negative way and will treat them very badly.

Then the high point of our sins will be reached, followed by the 3rd World War and the coming of the LORD JESUS.

Editor: In this passage, the 90-year-old writer connected the 3rd World War and the coming of the LORD JESUS—exactly as JESUS connected the Great Tribulation and his coming in the 24th chapter of Matthew, verses 29-31:

“Immediately after the tribulation of those days....then shall appear the sign of the Son of man in heaven, and they will see the SON of man coming in the clouds of heaven with power and great glory. And He shall send His Angels....and they shall gather together his elect from the four winds, from one end of heaven to the other.”

If the first 3 signs that this lady gave turned out to be correct, isn't that strong evidence that the 4th would probably be correct?] Continuing this lady's message:

The actual conflict [3rd World War] will not last long. There will be no comparison with this final battle! **The air will be so unclean** that the people will not be able to breathe properly. This will spread to the continents of America, Asia and Australia and especially the richer countries. **Water will be considered unsafe to drink.** The earth will not provide the usual harvests. Consequently **only a few will survive** and people will try to move to the poorer countries, but they will also be treated in a very harsh manner.

Now I am glad that I shall not experience what I have seen in the future, but when this time approaches, you must have courage to declare this vision which God has given to me. **Nothing must be contrary to the Bible.** The people who know the forgiveness of their sins and that JESUS is LORD and SAVIOR will be protected and saved!

Messages in Medjugorje (Bosnia-Herzegovina) through some seers

“In the times, in which you are now, there will be only a short time for peace. Celebrate GOD within the HOLY MASS, because it is JESUS, who is present there every day for you and wants to give graces.

There will be a little time before the great punishment will come down.

Pray, children pray, because this is the only thing what you can do!

(spoken to a Croatian visionary, March 2006 in Medugorje during apparition Mirjana)

“The people do not want to listen to the messages of the MOTHER all over the world. And that is the reason of terrible situations of almost all people.

There is just a little faith and the world is full of darkness. Pray, My child, pray, and call the others to pray. All your prayers can change the world. But there must be prayers with the heart, hearts, which belong to MOTHER MARY.

Believe My child, this is the time of the HOLY SPIRIT and the time of prayers to the Divine Mercy. Amen”

(spoken to a Croatian visionary, March 2006 in Medugorje, May 2006)

„The earthquake in Indonesia was only a small beginning of punishment all over the world.”

In Međugorje, MOTHER OF GOD has spoken about several warnings especially on the date of 25th April 1983, at the beginning. She told in beginning of revelations in Međugorje:

"I always have told punishment will be coming swiftly and suddenly if the world does not convert!"

In **1982 and 1983** She told in other messages in Međugorje

"I have prayed for the punishment to be reducedwith prayers and fasting the punishment can be reduced but it is not possible to completely avoid the punishment"

In Feb.2005, following words were spoken by the LORD in Međugorje '

“A terrible warning will be coming!”

'For Me, this earth doesn't exist anymore! I have to destroy it!"

Messages through Mary Jane Even, Lincoln, Nebr. (January 1997)

“Now I wish to describe the great, beginning, event in **the series of events which constitute the ‘end days’ events.**

- Yes, the Holy FATHER must flee the *Vatican*.
- Yes, he will be protected.
- Yes, the Anti-Pope will be elected.
- Yes, the Seat of Peter will be moved to Jerusalem.
- Yes, the Antichrist’s world domination will occur.

- **Yes, the war will begin.**
- **Yes, the economy will collapse.**

All this will occur simultaneously with the approach and fulfilment of those events which constitute the GREAT WARNING. I say, "simultaneously and during", to show you that **many things will be happening in all parts of the world at the same time.**

It is important for you all to recognize that the problems, written about as one type of concern or another, will all occur at the same time, or nearly all together. Yet all these events are not the end, for that is yet a few years away.

That is, **this set of events is not to be confused with the "three days of darkness",** because that takes place **at the end of the years of crises.**

The THREE DAYS OF DARKNESS is the nuclear war and world-wide conflict by all countries having nuclear missiles.

Everyone will be shooting missiles at other countries, in retaliation. **This war will be the mastermind of the Antichrist** to destroy the permanent images left at the time of the "Miracle" - The GREAT MIRACLE - to occur just before the last three days of darkness or the absolute end of this era as you know it.

“My MOTHER once said that you need to look at Bosnia – the former Yugoslavia – and the other war-torn countries, to appreciate what your world will be like. Here, with the GREAT WARNING, you have conditions which are **similar to war**, but not the same, for **the war is yet to come upon you.** Now I will tell you about the evil spirits. JESUS.”

“I have told you that there would be **a world-wide food shortage due to the destruction of vegetation**, and have asked you to have a **food stock on hand at home – also water and Blessed Grapes.**

- I have told you that there would be **an economic collapse** and this will occur due to the World’s Bank meeting to help so many countries.
- I have told you that **Maitreya with the Anti-Pope shall lead and deceive you** during this time for they will take advantage of the world-wide tragedies to bring forth their plan to rule the world.
- I have told you that **war between all nations** would begin at the instigation of the evil leadership in some countries who will want to take advantage of the time when larger nations are very vulnerable and weak, due to these crises.
- I have told you that to gain authority and power, **the Antichrist shall cause the death of many leaders of the world** and then be able to take over their countries’ leadership. I assure you people will want him as their leader.
- I have told you that **food would be rationed** and through the Mark of the Beast all people would receive a share.”

“Oh, My sweet children, these times shall be different, difficult - and most of you have never experienced anything like them. You have never experienced **war-like conditions.** This will be **like the times of war; of disasters; of tragedy.**

Yet as you know this is only the first of the great events.
Next comes the plagues of insects and the great cold period.

Then comes the war - a nuclear war; a retaliatory war; a war of bitterness, as well as the installation of the world leader, *Maitreya*, the persecution of Catholics and then THE GREAT MIRACLE.”

Messages given to an unknown seer in Spain (October 2001)

Before the WARNING:

1. sign: It will be the flight (...) out of Rome and the appointment of the anti-Pope
2. sign: **Collapse in stock-market** and financial panic
3. sign: **Beginning of the War**
4. sign: The flight of birds and animals of the nature
5. sign: The great WHITE CROSS in the sky for seven days and nights
6. sign: The news from the Comet approaching

2° Sign: COLLAPSE OF STOCK-MARKET AND FINANCIAL PANIC

“You have obvious evidence of this sign already with what happened in *New York* to the towers, **you no more can trust in the Banks**. This has been announced by My MOTHER for a long time, but all will worsen in spite of all men's efforts, **because the RETALIATION and the WARS have already begun**, and this will hit heavily the world-wide economy which will culminate in panic.

3° Sign: BEGINNING OF THE WAR

“What began with RETALIATION will culminate in many WARS all over the world and they will not finish until the Great Punishment.”

Messages given through the Italian priest Stefano Gobbi

“The **second sign** is the **outbreak of wars and** fratricidal struggles, which lead to the prevalence of violence and hatred and a general slackening off of charity, while **natural catastrophes**, such as epidemics, **famines, floods and earthquakes**, become more and more frequent.

When you hear of **reports of wars**, close at hand or far away, see that you are not alarmed, for these things must happen. Nation will rise against nation and kingdom against kingdom. There will be **famines and earthquakes** in many places. All this will be **only the beginning of greater sufferings** to come. Evildoing will be so widespread that the **love of many will grow cold**. But GOD will save those who persevere until the end: (cf

Mt 24:6-8, 12-13)

My beloved ones and children consecrated to My Immaculate Heart, I have wanted to teach you about these signs, which JESUS has pointed out to you in His GOSPEL, in order to **prepare you for the end if the times**, because these are about to take place in your days.

The year which is coming to a close, and that which is beginning, form part of the **great tribulation**, during which the apostasy is spreading, the **wars are multiplying**, natural catastrophes are occurring in many places, persecutions are intensifying, the announcement of the GOSPEL is being brought to all nations, **extraordinary phenomena are occurring in the sky**, and the moment of the full manifestation of the Antichrist is drawing ever nearer.

And so I urge you to **remain strong in the faith**, secure in trust and ardent in charity. Allow yourselves to be led by Me, and gather together, each and all, in the sure **refuge of My Immaculate Heart**, which I have prepared for you especially during these last times.

Read, with Me, the signs of your time, and live in peace of heart and in confidence. - Rubbio (Vicenza, Italy) December 31, 1992

The **great trial** has come for all humanity, already lacerated spreading violence, by destructive hatred, **by wars** which are expanding menacingly, by great ills which no one is able to heal.

At the dawn of this New Year, the threat of a terrible third world war is becoming stronger and more worrisome.

How many people will have to suffer **the scourge of hunger**, of **famine**, of **discord**, and of **fratricidal struggles** which will spill much blood on your roads.

If the 'time if the great trial has come, the time has come also for all to hasten into the safe refuge of my Immaculate Heart. Do not lose courage. Be strong in trust and confidence. I have told you beforehand of the times which await you, painful and difficult times, precisely in order to help you live in trust and if **great confidence in your Heavenly MOTHER**.

The further you enter into the time of the great trial, the will you experience, in an extraordinary way, my Motherly presence close to you, to help, defend, protect and console you, and to prepare for you new days of serenity and peace.

In the end, after the time of the great trial, there awaits you the time of great peace, great joy, great holiness, the time greatest triumph of **GOD in your midst**.

Pray with Me on this, My feast day, and live in that expectation which sweetens the bitterness of your daily suffering. Today I am spreading my mantle over you to shelter you as does a mother hen with her chicks, and I bless you all in the Name of the FATHER, and of the SON, and of the HOLY SPIRIT." – Rubbio (Vicenza) – January 1, 1993

Messages given through Veronica Lueken, New York-Bayside

"My child and My children, there are scoffers who will say there shall not be a **Third World War**. They do not know and cannot conceive of the plan of the Eternal FATHER. Be it known now that the FATHER has great Heart for all His children, but **when the sin reaches a peak** only known to the FATHER, the amount of sin among mankind, then the FATHER will take action. He will allow you to go upon your

reprobate way until there will be few souls to save upon earth, for the others will have died in battle and also at the hands of a **corrupt generation of the young**."

– OUR LADY, May 28, 1983

"The **Third World War** shall start soon, My child, and claim many lives. **Many countries shall disappear** from the surface of your earth. Wars are a **punishment** for man's sins, My child."

– OUR LADY, April 5, 1975

"My SON is much grieved by the manner in which His Sacrifice is conducted within the churches of the world. Pastors! Shepherds of Our flock, have you not the courage to stand up for the light? Do you fear mankind? No man shall save you from your eternal reward if you receive the recompense of your abominations! You shall be cast into the abyss, counted among the least. You have been given a divine vocation. You scandalize those who have been entrusted to you! Awaken now from your blindness! **Bishops**, the salt--what have you done to your vocation? **You have brought scandal, destruction of souls!**

I beg, as your MOTHER, for you to listen to My warnings. My urgent plea is of major concern to your world now.

For if you do not listen to Me now, you will set fast into a major World War. Wars are a punishment for man's sins."

– OUR LADY, March 18, 1975

Veronica - "OUR LADY now is looking down sadly. And I see She's pointing now to what looks like a map. Oh, my! Now as I am watching—it's a map of... oh, I can see Jerusalem, and Egypt, Arabia, French Morocco, Africa. Oh, my goodness! There seems to be a **very dense darkness** now settling upon those countries. Oh, my! And Our Lady is saying:

"The start of the Third World War, My child."

- March 29, 1975

"The United States of America is **fast approaching on the start of the Third World War**. My children, your newspapers and your Medias give no account of these secret missions. There are men going from the State's Department back and forth, hinder and you looking for peace, peace, where there is no peace, and peace where there shall be no peace unless they **follow the directions of the ETERNAL FATHER** and the messages given from Heaven in the past years--not alone on these grounds, My children, of Bayside and Flushing Meadows, but also to various seers, young and old, about the world.

The world is crying, peace, peace, and there will be no peace unless the world will recognize My warnings of caution from years ago in earth's time, and they do something about it.

I have promised you peace, My children, if you will **go forth with your Rosary** in one hand and the **brown Scapular** about your neck. How many have cast aside their armor because they fear or they are afraid of the mockery of those who have already hardened their hearts to the truth." - OUR LADY, July 1, 1985

"My children, there will be a great World War. Many nations shall disappear from the face of the earth. There will be much gnashing of teeth and woe set upon the earth."

– OUR LADY, August 4, 1979

"Day by day man is killing now. **Many countries shall be embroiled in wars**, until we have the **greatest war** ever seen, nor shall ever be seen again, the **Third World War**, which shall engulf the nations. And **many nations shall disappear** from the force of the armaments being gathered now throughout Russia.

Yes, My child, no matter how the world reacts to the truth, you will shout it from the rooftops that Russia has not accepted any overtures from Rome. Unless Russia can be dedicated to the Immaculate Heart of JESUS and MARY, unless they will recognize the truth, they will continue to go throughout the world sowing seeds of discord, discontentment, and war. You know, My children, that **war is a punishment for man's sins**, but also, **war is an indication** of the loss of the knowledge of GOD.

My children, I cannot enforce Myself upon you. I can only plead with you as a MOTHER of mercy to turn back now while there is **still a little time**. Your time is growing short. I repeat again: there is **only one grain left in the hourglass**.

My child and My children, do not be affrighted.

Were it to be that I can come to you as a MOTHER of glad tidings,

I should be the first to come to you and **throw My arms about you**, and solace you with the great knowledge that you have received a time permitted only by the ETERNAL FATHER to settle your estates, and your way of life to change it, to be on the narrow road to Heaven. **Do not forfeit your life, your eternal life**, by wishing or coveting material gains of this world, for none shall follow you over the veil to plead your cause.

The enemies of GOD are all about you. Russia has planned these days, My child and My children. And how I have begged for years of earth's time that **Russia be consecrated to My Immaculate Heart**. When she is consecrated she will be converted, My children, and then you shall see the world of joy again. Tears shall be banished, and mothers shall not sorrow until they die of grief for the loss of their children and their sons.

My child and My children, I want you to understand that We have been patient with only the patience that GOD the ETERNAL FATHER in the HOLY GHOST could manifest to you. No human being can understand the suffering that We have resolved Ourselves to for your salvation and the salvation of all of the souls upon earth.” – OUR LADY, August 21, 1985

“Each and every man, woman, and child who has reached the age of reasoning will be held accountable when he enters over the veil. My children, there will be set upon your earth great trial. The sickle shall be sent among you.

The forces of evil are gathering, planning with all scientific knowledge the destruction of the world's populace.

O My children, **take the blindness from your hearts** and your eyes. Recognize the signs of your times and the path you have set yourselves upon.

There is **only one way**, My children, when you turn from your GOD: it is down. Moral corruption, **casting aside the Commandments** of your GOD, building and worshipping idols of man, paganism in My House, leaders that have given themselves to Satan committed My mankind until I cry out that you have become a degenerate generation and you call upon yourselves a **baptism of fire?**

It is a sad fact, but one that cannot be escaped, but held in abeyance by the prayers and acts of atonement of the few--it is a sad fact that **two great penances** shall be set upon mankind: a **scourge of war** and the **Ball of Redemption**. How soon, you ask? Does it matter when a time?

Are you prepared now? It will fast come upon you unexpectedly. There shall appear two suns on your horizon.

Fear shall grip the hearts of many, and this fear shall come from the knowledge that you **rejected the warnings from Heaven** and did not act upon them.

My children, **that DAY OF YOUR LORD is approaching**. I shall return as I have promised, but there shall be much woe set upon your earth before My Coming. Man in his **arrogance, pride, and self-seeking** has turned from his GOD, using all scientific knowledge given from Satan. Man in his scientific knowledge is ever seeking, but never coming to the truth.

As it was in the time of Luciel, Lucifer, so I look upon a generation that is seeking to fly to Heaven, that is seeking to enter into supernatural knowledge, and finding Satan!

My children, the way has been given you. **I am the way; I am the light**. If you cast Me out of your life, you **enter into darkness**. And the prince of darkness is Satan, the corrupter of souls, the master of deceit, the **ruler of your world** now!

You have opened the doors to My Church, **allowing all manner of evil** to enter upon it. You have been deluded by error, and the rulers have given themselves to wantonness. Pastors, I say unto you: you are scattering My sheep. And I say unto you that I shall come and cast you out of My House." - JESUS, December 7, 1976

"Wars are a punishment for man's sins.

Syria holds the key to peace at this time. However, I place in front of you, My children, a graphic picture for you to understand. It will be a parable for some, and some will turn away not willing to hear what Heaven has to say in these desperate times."

Veronica - OUR LADY is pointing up with Her finger, like this, to Her right side, and high above Her the sky is opening up—all the clouds are floating away and the sky is opening up and I see a map of the Mideast. And then OUR LADY is pointing up farther and that's another map of China and Russia. OUR LADY is turning back now: She was looking upward also.

OUR LADY - "My child and My children, there are scoffers who will say there shall **not be a Third World War**. They do not know and cannot conceive of the plan of the ETERNAL FATHER. Be it known now that the FATHER has great heart for all His children, but

when the sin reaches a peak only known to the FATHER, the amount of sin among mankind, then the FATHER will take action." –

OUR LADY - May 28, 1983

"Syria has the key to the solution of world peace or the Third World War. It will be the **destruction of three-quarters of the world**. A world aflame, with also the Ball of Redemption." – OUR LADY, May 30, 1981

"Wars are a punishment for man's sins. My children, My heart is torn. I stand with you observing your road, the path you are traveling. Many lives shall be lost in the **Great War**. The forces of evil are gathering about the city of Jerusalem. I walked there, My children. My home will be destroyed. There shall be much blood shed upon My home."

- OUR LADY, June 24, 1976

Our Lady : "You ask, My child, how this situation evolved. It was not in the plan of GOD to bring the great Chastisement upon you at this time. It is the will of man that has forced His hand upon you. The **great plague and darkness will come** before the Ball of Redemption.

Gradually you will find the extinction of man evolving from the earth. The FATHER does not plan to completely eradicate man from earth as He did during the time of Noah, choosing only a few to set up the Kingdom.

There will be a great War..."

Veronica – "And over to the left side of the flagpole there's written a word: "YELLOW AGAINST WHITE - WHITE AGAINST BLACK", and then there's a large cross over the world. It's a globe of the world, and there's blood dripping over on one side. And there's a **pool of blood**; it's like a river. And now the word comes out from inside the blood, and it says: "PALESTINE" P - A - L - E - S - T - I - N - E, and underneath, "JERUSALEM." - - March 25, 1973

Veronica – "Now Michael is turning back, and he's pointing over to the left side of the flagpole, beyond the left side. And I see . . . oh, I see a terrible, **terrible fighting, a war**. I don't believe it's in the United States, because these people look like they're Egyptians, and Arabs, and dark-skinned people. And now, though, as the—I hear the great roar of bombs.

I'm looking up, and the sky's becoming very lighted. And I am seeing thousands and thousands of people marching. But they look like Chinese, or Mongolian. No, they're—I believe they're Chinese; they're Asiatic. They're marching across the land, and they're boarding some kind of transport. They're going onto the water. **Oh, it's a great War.** Oh! Oh!
 Now Michael is coming over to the left side of the flagpole, and he's looking down.

St. Michael - "My child, we have asked you to send the word to mankind that they will read in the Book of life, the Bible, the words given to them that will fulfill the prophecy of the latter days, Apocalypse. You are living the days of the Revelations. Read them and be knowledgeable, and you will not be caught without the light." - - July 8, 1974

Information about Veronica Lueken

The following messages were given through Veronica Lueken, New York-Bayside in the years between 1970 and 1980. Because of **her great sufferings as a victim soul** Veronica was also called "Veronica from the Cross".

Veronica Lueken was a City housewife with 5 children living ordinary in *New York*. Called as the seer of *Bayside* she was the recipient of heavenly messages from JESUS, OUR LADY and many Saints for over 25 years. **Veronica was a victim soul for the pope and the Roman Catholic Church.** She suffered enormously and was called "**Veronica of the Cross**". *Veronica* was 72 when she died in 1995. Many mystical experiences began to occur, as *St. Theresa* gradually introduced *Veronica* into the way of the spiritual childhood.

The Testimonial of the priest Robert Skurla

"The messages of Bayside restored my confidence in the Catholic Church once more. I will stake my reputation, if that means anything, on the doctrine contained in the messages. The doctrine is the same as I was trained in over the years."

This most remarkable sermon on the Bayside Apparitions, delivered at a Holy Hour on Palm Sunday, April 4, 1982 in St. Peter's Cathedral, Scranton, Pennsylvania by Father Robert Skurla, an Eastern rite priest serving at the time in the area, **forced some mainstream U.S. Catholic newspapers to take notice of Bayside.** An article in the *Our Sunday Visitor* characterized Fr. Skurla "as a priest of certain stature . . . who later became the **chaplain and custodian of the Blue Army Chapel in Fatima**, Portugal, the chapel which housed the world famous icon of OUR LADY of Kazan, national Patroness of Russia.

Priest Robert Skurla:

"History has recognized **another Veronica - Veronica Lueken** - a simple housewife like many of you, to whom JESUS and MARY have appeared for over ten years. For the most part, **the devil has kept this information from most of us.** Ah, but wouldn't the devil like to prevent me from going on, and keep my mouth shut!

JESUS and MARY have appeared to Veronica on the evening of all major feasts of the Catholic Church. Going **against the popular opinion of Church leaders** and the mainstream, Veronica of Long Island has been willing to **accept all the crosses** involved in being the voice box, the transmitter of the messages from JESUS and MARY to Her children. Now, if there are divine chastisements and punishments coming to the earth and the people in it, do you think that JESUS and MARY would sit back and let these things happen without warning us?

I myself—and I speak for myself and no one else—I myself **have studied these messages for almost ten years**, and I found in them the **peace and the light** and the information that a twentieth century Catholic needs in these troubled times. In these most difficult times, JESUS and Our Heavenly MOTHER have **warned us of the days ahead.**

She is giving us all the information that we need to help us pull through the coming chastisement—which has already been sanctioned by the Heavenly FATHER, and is on its way. So I think, children, there is nothing to be giggling and laughing about. **These things are serious, and they should be looked into.** Our MOTHER MARY has spoken out on this issue. And you say: "Why FATHER? Why are these things going to happen to young people and old people? What did we do wrong?" Mainly, without going into a long discourse, abortions! The terrible **crime of abortion!**

Our MOTHER MARY has spoken out on this issue in a message of December 28, 1974. She appeared to Veronica and showed her a scene where babies were dumped in the garbage. There was a **mixture of little tiny heads and little tiny arms and little tiny legs**; and MARY said: **"Yes. My child, murder; this is not a pretty sight! All who even share in a slight measure of responsibility for the murder of the unborn shall send themselves into the abyss. Repent now for your murders."**

For Her apparitions in the United States at Bayside, OUR LADY wants to be known as OUR LADY OF THE ROSES, MARY, **Help of Mothers**. And you, mothers, know that there's no better title for American mothers: OUR LADY OF THE ROSES, MARY, Help of Mothers. MARY and JESUS have spoken out on the very issues that seem to confuse most of us: **Abortion is murder.** Men will not dress as women, and **women will not dress as men.** Women should **not wear slacks or jeans.** You should not laugh in Church. JESUS has said that no woman will enter the ministry and will not minister in any way. Now I couldn't say that, and you couldn't say it, but JESUS said it; and He had a right to say it. On **homosexuality**, He said:

"All who take part in it or condone it shall be destroyed."

Rock music has been consecrated to Satan.

Messages through the Italian priest Ottavio Michelini, Mirandola (1975-1978)

„Today, there is the same state of things as before the Deluge. For that reason, the **majority of peoples** with the exception of those who save themselves, **will be destroyed**, because they **remained deaf** to the call addressed to them for the penitence and conversion!“

(JESUS on 21st June 1978)

„If I let you to have a look behind the walls of My Church, you will have to die immediately...“

(JESUS on 15th November 1978)

„Desecrations may not be counted any more...“

(JESUS on 03rd December 1975)

„To the resistance of the mankind manifested through Adam *and Eve* the GOD responded with justice and mercy. **In His justice He punishes the sin** in the whole mankind. From the beginning to the end the man will have to eat his bread in the sweat of his brow! The Justice will oppress the mankind **until the end of times.** (...)

The world and particularly the Europe will, in one moment, unknown to those equal to you, be in blaze!

It will be the **MOMENT OF THE JUSTICE**, but also of the mercy and of the beginning of a new spring of peace and justice for the mankind and for the church.

My and your MOTHER will again trample the snake's head, and the atheism will disappear from the Earth.“

(JESUS through the priest Ottavio Michelini, 12th January 1976)

As almost all peoples deny the GOD's justice I quote from memory one JESUS word from Luke's Holy GOSPEL:

„If the servant does not obey the order of his LORD, he will be severely punished. If he does not follow it for ignorance, lesser punishment will follow.“

Some messages through Marguerite from Chevremont, Belgium

„Tell me, has the peoples' life become alike as I want it? Do not, therefore, be surprised by punishment of the FATHER for the disobedient children. The Heavens complain. The nature, free from the chains, squeezes it out! I will not be telling this anymore for a long time. (...) I walk towards the act, when My warnings are not respected!

I will destroy this world and on its ruins I will built the new one, with peoples who are remade with love.“

(JESUS through Marguerite from Chevremont, November 1984)

„I will clean from there the mud of the world in the strength of the love! But My justice will be their echo! I awake and I have awoken for all times fervency and martyrs of love, who suffered and are still enduring My Pains, without drooping, for just revenge for our tortured hearts is equated.“

„Purification of souls will be terrible! They have gone too far! The kindness and the Justice act together. One complements the other, for Mercy to be always the First. The darkness has invaded the Earth, but they do not recognize it! Pride is their Light! “

(JESUS through Marguerite from Chevremont, April 1985)

„Purification of souls will be terrible! They have gone too far!

„Indifference and cruelty of My creatures cause bloodshed and break my heart (...) The horror inhabits the Earth. Here and there the islands of love console our hearts and let our eyes to rest filled with tears. (...) What responsibility, what losses, what judgments need to be taken! Pray even more.

Those, whom I have elected, to represent Me down there, do not recognize anymore their FATHER! Successor of Petrus witnesses the death of his GOD! (...) Pray, pray!“

(JESUS through Marguerite from Chevremont, April 1985)

„Only one sacrifice may mitigate the rage of My FATHER! That is Me in My Representative on Earth (pope Johannes Paul II). Flowers, flattering, reverences have become his road to the Damask. He goes to encounter his destiny. So it was with the branch lets of palm tree in My Arrival that preceded my execution

Do not ask me about the DAY or HOUR! You do not call the mitigated rage. (...) Calmed down does not mean passed! Volcano get asleep for some time, wakening is sudden and violent! His mouth then throw up the torrent of fire and it destroys everything on its road.

And so the Heaven's fire will flood the Earth if the peoples do not convert!

The Love is hurt in its purest and most beautiful substance. (...) Only the fire in the Pan of pain will clean the Earth! Incoming events are fatal battle of one world which may not love

anymore and which, without knowing it, goes to encounter **its own destruction**. (...) I tell you, however, My Love is great! It lingers above peoples' mistakes and is ready to come to help until the last moment.“ (JESUS through Marguerite from Chevremont, May 1985)

„At present the Love and Justice are interlaced. **Pains devastate the Earth**. Nonetheless, they are nothing compared to what the future brings to the peoples if they do not convert. It is not easy to get rid of the golden calf without destruction. The innocent redeem the world with their sacrifice.“ (JESUS through Marguerite from Chevremont February 1991)

Remark: In another place LORD has declared „golden calf“ as „mammon“, destructive greed for **property and money**.

„For many it is too late and their number increase from day to day! They can not be saved! My Love may not do anything for them.“

„**Delusion of the contemporary world** has achieved the edge of My Patience! I want to save the world with the Cross! The Strength of My Love will come up to their body and their spirit! Look at their predecessors, who embraced the cross, in order to be saved! Indeed, I tell you, not all will be saved, because they have **overstepped the measure** established by Me! It is too late for many and their number increase from day to day! **They can not be saved!** My Love may not do anything for them! **My Justice** will be accomplished! Still, those will be saved who, already in this life enter into themselves through **just penitence** over their sins.“ (JESUS through Marguerite from Chevremont, 5/1991)

„As long as they do not return to Me the **lash will not be defeated** which at present beats the earth. What did they do to My **COMMANDMENTS**? They do not know them actually! More lashes appear, additionally to those who fear them. (...) **Real bloodshed of human and moral values** and the murder of the innocent happen. The freedom of moral saddens and disgusts My Holiness! I will be **crucified until the end of times**.

And you, who hope to the return of My People to the Sources, do not deceive yourselves. They will **convert only through the road of Cross**, what allows them to call the **FATHER**. They seek in vain outside of me and do not find, because the only remedy which exists, they do not want, the **Return to GOSPEL** and its Accomplishment.(...) They respect the word without **GOD** who brings them only the loss of their soul.”

(JESUS through Marguerite from Chevremont, November 1991)

Messages through Gisela Maria, Germany, one chosen prophet for the end of times

„When the inconsolable days, the myrrh comes over the Earth, then, My Child, will empty the **GOD's cup of rage**.

Many pains will come over you. My angels are ready. I send them on fourth sides of the world to pour the **chalice of Justice**, but also of My indefinite Mercy over the Earth. A lot of things will happen; **the earth will shake as never before...**

I tell you: **Heavens' forces will tremble**; the earth will be soaked with blood of the earth's children: **GOD's rage** is rising in wind. Cloudbursts unknown by that time will come, the peoples will perish heavily from the rain, snow and ice. It is believed that the Doom day will come, but it is not the end: it is **only one movement of the GOD's rage** upon the pain of the sin and disobedience towards Ten GOD's

commandments. The thought alone, Who is like GOD? Brings the Earth to tremble and boil. When everything is accomplished previously marked, then it would be the new era, (...)
(JESUS through Gisela Maria, 30 September 2000)

„The gases will come out from within the Earth. The Peoples will fall down. There will be suffocations. The Evil will happen. The Sun will become dark, moon will look like the blood. The peoples wandering around and believe to the Doom Day. However, it does not resemble to the Doom day.

I tell you, this purification is like the saving anchor for poor mankind. All that happen serves for the salvation of souls!“

„The **danger comes from the East.**“ Big is the danger, because the communism is not dead yet. It is still very active and more than dangerous. Many good Christians will be scarified (...) **Big persecution of the Christians** is coming such as in antic time. You will be prosecuted and many will be tortured.“ (JESUS through Gisela Maria, April 2001)

“My child, It is Apocalypse time. You should read the Bible now, then you will recognize that everything was written at Saint Johannes.

(JESUS through Gisele Maria, April 2001)

„It is the first of all the statue of Satan (Television), which has brought that high immorality.“

(JESUS through Gisela Maria, April 2001)

„For all times I sent you the prophet and today straight when the Satan has seduced you strongly. It is to be attributed before anything to **his statue (Television)**, adored by many of My Children and may become soft but sure trap. **No picture is so dangerous** for falling down to the suction of the abyss, as it is the statue of Satan. (...) Unfortunately, from the mouth of abyss there is **no road back.**“ (JESUS through Gisela Maria April 2001)

Final deliberation and unperceived GOD's very serious love

I would like to remind the mankind about the close connection between the message of MARIA in Fatima on 1917 and the Second World War, which has permitted **inexpressibly high guilt** on the then responsible in the Catholic Church.

3 children from Fatima: Lucia, Jacinta and Francisco

The VIRGIN MOTHER has announced only **2 evident demands** from the LORD, the accomplishment of which conditioned the peace in the world. In case of **non-accomplishment**, She announced even **more horrible war** than the First World War which was still lasting. Here is the message of MARIA in Fatima:

„Our DEAR WOMAN has shown us the big Fire sea, which looked as being in the depth of the Earth. Dipped into this fire we saw **Demons and Souls**, as being transparent black or brown **burning coals in the form of human being**. They were chasing each other there, tossed by the flames springing up from them with the clouds of the smoke. They fell down in all directions as the sparkles of strong fires, without gravitation and equilibrium **with painful scream and screams of desperation**, such that one would tremble and got petrified. The demons were marked as awful and terrible form of the hideous, unknown animals, but were also transparent and black.

This vision lasted for a moment only. Let it be thanked to our heaven's MOTHER who promised us beforehand that She would take us to the heavens (in the first apparition). If it was not so, I think that we would have died from the fear and horror. We lifted our eyes towards Our LADY who was saying, filled with kindness and sorrow:

“You **have seen the Hell**, where the souls of poor sinners go. In order to save them, the GOD wants to establish in the world **Devotion to My Immaculate Heart**.

If what I tell you is done, there will be many souls saved, And there will be the peace.
The war will end.

If offending of the GOD does not cease, **the second, worse (war)** will start under the pontificate of the Pope Pius XI. If you see the night **lightened with unknown light**, then know that it is big sign, which the LORD gives you, that He will punish the world for **its bad deeds through the war, starvation, persecution** of the church and the Holy Father.

To preserve from that, I will come to seek the Consecration of the Russia to My Immaculate Heart and Penitence-Sacrament to My Immaculate Heart on the first Saturdays in month.

When **My wishes are heard**, the Russia will convert and there **will be the peace**. If not, her wrong teaching will expand over the world, will cause the wars and church persecutions. The good will be tortured, the Holy Father will suffer a lot, different nations will be destroyed, and at the end My Immaculate Heart will be triumphal. The holy Father will consecrate the Russia to Me, which will convert, and the world will get as a gift one period of time in peace.“

Disdain of the GOD's Justice

Sodom and Gomorrah: The Justice of the LORD

I will try to continue to provide on this place and on this topic the issues about which the Holy SPIRIT taught me with the words of GOD and MARY – written from memories – without any further comment.

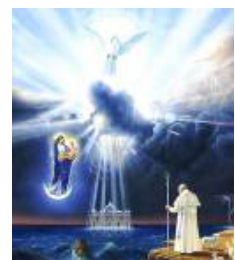

„Love and Justice permeate.“

This sentence comes as the summary of different words of JESUS known to me, which came out from Marguerite from Chevremont. He told us through Marguerite that the LORD possesses three features – **LOVE, MERCY and JUSTICE** – and these features permeate depending of the state of mankind and that **His Justice comes more and more** on the first place.

I am brought up to the following message at the end of the survey. The survey is absolutely **necessary for understanding of GOD and for punishment of the mankind**, in addition to the numerous messages through Marguerite, in order to integrate the apparent contradictions in the GOD's word

“My hand is outstretching towards you, ready to help, persistent, calling everyone by the name. Love and Mercy, but also frightening Justice in their deeds.

In the two I am One. To love Me more, fight, my children. **I also fight against Myself**, because the Love and Justice are different in their consequences although they are one. My love for the people withhold My Justice, but **it is trying to get through to destroy**. I will not always be able to put a stop to, for the **crimes of the mankind are enormous** and require deserved chastisement. What would I not do for you who love Me. My outstretched arm symbolizes the appeal for love to the people of good will.

My Heart is the Love for all souls. My Justice is frightening for the sins of the world. I still suppress it because I love you very much.

The people destroy the nature which will revenge by destroying them, if they are not careful enough. The sin is present as never before, but is intentionally ignored, denied more than ever. Unfortunate children, what would happen to you? I will tolerate this just for some time!“

(JESUS through Marguerite from Chevremont, 1st JANUARY 1978)

According to the Holy Sister Faustyna, JESUS said in approximately following words:

„Who does not want to go through the door of My Mercy, has to go through the door of My Justice.“

„No one knows the GOD, not even the Angels on the Heaven.“

Through the priest Ottavio Michelini JESUS has announced once again the following truth:

„I am the GOD with immeasurable mercy, but My Justice is awful!“

Some time before compiling this, I was brought to **3 important places in Bible**, so that I could have straighten for myself the earlier announced contents and in some cases apparent contradictions. In the Old Testament the GLORD has made to the **priest Eli** at present from Samuel for His sons and His descendents **big promises**. Nonetheless, one day the LORD told him that **he revoked his promises**, because they have gone too far in their perversion (Book 1, Samuel, 3, 30) In the book of the prophet Jeremiah, GOD the LORD said as far as I remember, the following words:

„I am the LORD! I can revoke at any time My promises. But, I can also withdraw at any time My threats.“

It would be wasting time to find the text again, but the content has remained very well in my memory. I have read **the whole book of the prophet Jeremiah** page by page and I discovered so **many apparent contradictions** as nowadays revelations also show, thus we could be **completely irritated**.

However, I understand a lot of apparent contradictions in such a big number in the book of prophet Jeremiah, from the **LORD being filled with Love and Justice**. In the book of prophet Jeremiah the GOD often woos with the words filled with love His Israel people and offer him magnificent promises. Then, He again makes revelation of the terrible punishments which go up **to extermination of the Israel**. This **up and down** characterizes the book of prophet Jeremiah, so that every simple orientation may be lost.

I understood that **this part of the Bible**, of value for the people of Israel, could mark the whole nowadays mankind. As at that time, the people remained **deaf and blind** and do not want to listen many of the LORD's warnings and calls. The consequence for Israel was menace of extermination up to the insignificant part of the people. I understand that it would be the same now and today to the whole mankind, and that the **rage out of disappointment of GOD** will itself carve out the road through His Justice, **which causes the fear**.

I have understood for myself and for the others that we as an **original image of GOD** resemble to Him in some areas. When we as parents **have worked hard for the luck of our children**, when, filled with love, we always wished to take them again and again towards the good, but after years of efforts they take the bad road on their own will although aware of the warning, then we will one day, out of anger, leave them to their own disappointment. Here comes one from few messages given in Marpingen, Germany, in 1999:

„My children, the tide of sins, which is growing from the earth to the sky,
it is not acceptable anymore.

The biggest offense to the LORD which may happen is that the people **do not use his Mercy**. His mercy pours into SACRAMENT of the Holy confession and stands ready for all people. Nonetheless, it hurts the LORD very much when you do not accept this gift. It is a **Gift of His love which** He has deserved for you by His death when crucified.

Ah, you people, if you could see **how wounded His Heart** is, because you do not want accept this gift. This makes My Heart sad and it weighs heavily upon it, pushing deeper inside the thorns, put around My Heart by the people of nowadays. It hurts My Heart, oh children and I tell you today clearly: **Return to the LORD. Pray the rosary**, pray for the conversion of the sinners.'

Your prayer is so urgent since the adversary of the LORD tries to throw the people to the destruction.

Oh, you the people, if only you think about it. **Look at My pain!** My heart is so wounded and I come today to show you My pain, so that you, at least you whom I have invited today, start loving the LORD's mercy, thus the SACRAMENT of the Holy confession. It is My wish and I beg you with all My Heart.“

**A new place for great light and second coming of JESUS:
Derval in Bretagne (France)**

Derval is situated near Chateaubriant, bigger town on the east of Breton. Chateaubriant is located 49 km on the north of Ancenis, 55 km on the south of Rennes-a, 69 km north of Nantes and 73 km on the west of Angers.

In Derval there is a **Community of Pierre Poulain** in the **House of the Saint Family, Route de Rennes, number 10**. There is a small chapel in which Divine Liturgy of Catholic Church is celebrated as part of one hundred years' **old tradition as Latin Mass**.

The VIRGIN MOTHER was saying in the message through Marie M. to visionary **Vicka from Medugorje**, that she needs to **seek and discover the Bethlehem cave and Saint Family** in which the humble shepherd from Breton is already present. She as well as the others will **discover there the Light, Truth, and GOD's Kingdom**. GOD's MOTHER has invited Her children to **discover the Bethlehem cave fast** and in connection to the preparation through the prayers.

GOD FATHER has announced to the seer Marie M. from Vietnam, who lives at present in Paris, the **meaning of the word Derval**:

D stands for DIEU (**GOD**), E stands for ET (**and**), R for ROSAIRE (**rosary**), V for ONT (**will**), A for NEANTIR (**destroy**) and L for **LUCIFER**.

“GOD and the Rosary will destroy Luzifer.”

Derval and Breton have **received real future Church of Light** from GOD, which carries the name ACT OF SAINT SPIRIT or ACT OF GOD's RENOVATION.

„**Saint Family Church**“ in Derval is founded in 1974 by **Pierre Poulain**. Pierre was born in 1924 in the farmer family. He received the messages from MARIA as the Renovator/Restorator of the Catholic and comprehensive, global church and about the **incoming big disasters that the world „deserves“ for its sins**. These are revolutions, invasions on the West from Soviet republics, republics of destruction.

He understands himself as one Renovator to whom the task is conveyed for the salvation of those chosen by GOD. From some revelations comes out that the LORD has conveyed to Pierre

Poulain in later period the important task for leading the church, about which he will have to declare himself one day. The new place of the pilgrimage is even described as **beautiful source of Grace**.

The prayers are ardent there, first of all with rosary and Saint Mass solemnly served from the saint tradition, **Divine Liturgy** which is inalienable will of the GOD that the **pope Benedict wants to accomplish**.

In 1974 young Marie-Odile Galerme, who originates from Lothringen, took up residence in Derval and conceived there. The **beautiful childbirth** was announced. On 24 September 1980 the boy was born there. Marie-Odile is seen as Maria, Mother of new-born JESUS, JESUS-Pierre, **child in apocalyptic time**, future **Redeemer and Savior** of the mankind.

There, on 13 November 1999, the golden wreath was put on the head of the future KING.

These, first of all **almost unbelievable reports, are confirmed** in the messages of the LORD's MOTHER to the seer Vicka from Medjugorje through Vietnamese seer Marie M. in similar way.

Also, according to Marguerite from Chevremont, JESUS has interpreted two times something similar in **His repeated arrival as a child**. I re-tell the story which will allow, according to the previous data, better understanding of the messages through Marguerite.

Due to the unimaginable meaning of these circumstances, the most important message to Marguerite will present, which should at the same time due to the Christmas 2008 get deeply into his heart.

“I arrive again as Him, Who is and Who loves!
Do you think that I could still laugh in that night, in which
only few were aware of the Light,

many will refrain from accepting the life of the world and even will commit the worst desecrations? How many innocent will be scarified, only in that night of the peace and love! And I, GOD-man will feel even more My poverty, when I **receive disdain and indifference instead of gold, incense and myrrh**. (...) When I witness the **horror of the hearts** which close in front of the Mercy knocking on their door!

My stretched arms will beg more, My eyes filled with tears will
seek in darkness the faithful souls and hearts which love!

Yes, I am the **KING OF LOVE**, but I am hungry and I do not find the food to calm hunger. My dear child, agree and **give yourself to love without reserve!** I am starving and I am thirsty! Love Me!“

(World of JESUS to Marguerite, 15 December 1974)

A beautiful miraculous photo taken in Italy during a Holy Mass

On 20 December 1979 shortly after Christmas the following conversation happen between JESUS and Marguerite:

Marguerite: „Your arrival to Earth, JESUS, is one eternally new beginning, constant presence. You come and you will never leave. What will You, **small child find on this earth?** (...) Violence, hatred, envy, instincts, vice of all kinds, murders, persecutions, torture of innocent, greed, detest of Saint things, respect of idols, self-love, chaos, where all belongs, **first of all pride**.“

JESUS: “I measure **inexpressible purity of My Saint Childhood** and My well loved **MOTHER**. As counterpart to vice I ask the same purity. Against the murders, signs of the violence, massacre of the innocent, who fell down to the injustice of people as victims: My childhood, My almightiness a **GOD's child** who beg and warns.

I am the Child in His Innocence and Genuineness. I am also Power of the FATHER! In this night, which has lived My Birth, I want around Me the Small only.

I wish I could laugh before I cry over the lost souls, which I want to save with My Force.“

We should remember of one word of JESUS word in the Holy GOSPEL:

„Shall the son of the peoples find the faith, when He returns on the Earth?“

GOD's MOTHER said to Sister Faustyna approximately following words:

„Live as I lived on the Earth, quietly and hidden and prepare the world to the Repeated arrival (Parousia) of My Son.“

Some words of GOD's MOTHER **addressed to Vicka** from Međugorje through Her message to Vietnamese seer Marie M. from Paris are presented here to interpret and to convince. I did not intend to publish this personal release, but because of the Importance and to strengthen the faith, I publish this message as well. MARIA to Maria M. from Paris:

„I announce to you **News of high importance**, which concern **Derval in Breton**, place that has got the **new cave of Bethlehem**. As earlier the Jewish people expected the cave of Bethlehem, it is the same in 20th century in Breton in France. The same welcome is being prepared to Him, to our Savior and LORD JESUS CHRIST, to Saint Joseph, Saint VIRGIN-your MOTHER.

We are already on the Earth and also present in Derval.
That overcomes your faith. But this is the Truth.

Go to Derval in Breton to seek the **cave of Bethlehem and Saint Family** from the past, in which the **GOOD Shepherd** from Breton is present already. Be particularly fervent in your prayer, to be able to discover the cave of Bethlehem. You will see the **Light, truth of the New Kingdom** of Heavens, as it is announced in all things.“

Here are the important messages of our Divine MOTHER about the **new birth of JESUS** through the famous Italian priest Stefano Gobbi, who is the **founder of the world wide movement of Marian priests**:

“Like Joseph, devote yourselves to take the task of attention **preparing all for His near return**. Enkindle in hearts the lights that have gone out. Open souls to Grace and to Love. Throw wide all the gates **for CHRIST, Who is coming**.

And following the example of the shepherds, those simple little ones, so also you must **not shut your ears** to the Voices still more than ever before given you by Heaven.

Among them know how to recognize and follow that of your Heavenly MOTHER, Who is in so many ways and with such great signs repeats to you Her prophetic admonition:

Prepare yourselves for the return of CHRIST in Glory.
His second birth is close at hand.

Live with Me the conclusive hours of **this second coming** in trust, in prayer, in suffering that is enlightened, in the expectation, that the Great Day of the LORD will soon come. The desert in the world will open to receive the Heavenly dew of **His Glorious reign** of Love and Peace.” (MARY through Stefano Gobbi, on December 24, 1983)

“Now I ask of you also, My beloved children, prayer and suffering, as your personal collaboration in preparing a fitting dwelling place for JESUS, **Who is about to return in Glory**.

Stefano Gobbi, founder of the Marian priest movement in the whole world together with the Holy Father John Paul II

Understand the meaning of My Motherly intervention, which today have become more frequent, extraordinary and urgent. On this Holy NIGHT, My message, which I give you as Heavenly prophets of the last times, appears clearer to you.

Prepare yourselves for the second birth of JESUS in Glory!
He is about to come to reign in your midst.

The way by which He will come are those of prayer and suffering. Already these are the times in which you must all recollect yourselves in a continuous and trusting prayer, as was Mine during the long journey made to Bethlehem.

The time for projects and discussions is over! For those **who will listen and understand**, everything has now already revealed.

The hearts of men have been dried up by hatred and sin. **Nations and people are rebelling against their GOD**, and a **great darkness** is surrounding them. Humanity no longer wishes to throw open the doors for **CHRIST, Who is coming**. So then let the poor caves of your hearts be opened, which, in the deep night, must blaze in the light of an unshakable faith, of a sure hope and of a burning love.

And suffer with patience and with trust. As for Me, so also for you, the sufferings which the LORD asks of you form part of a **loving plan of Him**.

The pangs must increase for everyone, the closer
His new birth approaches.

Accept them just as your Heavenly MOTHER did. **Walk in the light** of the star, which tells you that the time has already come in which the prophetic announcements that have already been given you during these years are coming to pass.

And live each hour of your life in the greatest trust and in the joyous expectation of the Glorious return of My SON!"

(MARY through Stefano Gobbi, on December 24, 1984)

“Behold Me, then, presented by Sacred Scripture in the splendor of My Maternal Royalty. And another sign appeared in the Heavens:

A **Woman Clothed with the Sun**, with the moon beneath Her Feet, and on Her head a crown of twelve stars. (Revelation 12, 1)

About My Head there is therefore a crown of twelve stars. **The crown is the sign of royalty**. It is composed of twelve stars because it becomes the symbol of My Maternal and Royal presence in the very heart of the people of GOD.

The twelve stars represent the twelve tribes of Israel, which compose the chosen people, selected and called by the LORD to prepare for the coming into the world of the SON of GOD. Because

I am called to become the MOTHER of the Messiah,

My purpose is that of being the fulfillment of the promises, the virginal shoot, the Honor and the Glory of all the people of Israel.”

(MARY through Stefano Gobbi, on December 8, 1989)

We must recognize that the revelations through St. John were **given many years after the time** of JESUS and MARY and are directing into the future as the Words of the VIRGIN MARY through Stefano Gobbi.

“I am the MOTHER of the Second Advent. I am **preparing you for His new coming**. I am opening the way to JESUS Who is returning to you in Glory.

Make level the high hills of pride, of hatred, of violence. Fill in the valleys dud by vices, by passions, by impurity. Clear away the barren soil of sin and of the rejection of GOD.

As a sweet and merciful MOTHER, today I urge My children, I urge all humanity to prepare the way for the LORD Who is coming.

At the beginning of this last decade of your century, the task which the LORD has entrusted to Me is that of **preparing His coming among you**. For this reason, I ask all to return to the LORD along the road of conversion of heart and of life, because this is the favorable time which the LOD has granted you. (...)

I urge you **all to consecrate yourselves to My Immaculate Heart**, entrusting yourselves to Me **as little children**, so that I may be able to lead you along the road of holiness, in the joyous practice of all the virtues: of faith, of hope, of charity, of prudence, of fortitude, of justice, of temperance, of silence, of humility, of purity, of mercy. (...)

I am the MOTHER of the Second Advent. Allow yourselves to be formed and prepared by Me, during these years, so that you can be ready to receive JESUS, **Who will come in Glory**, to restore among you His reign of Love, of holiness, of justice and of peace.”

(MARY through Stefano Gobbi, on January, 1, 1990)

“Bow down, together with Me, to **cover the Child with kisses and tears**, with warmth and love, with sweet and affectionate tenderness. He is so little, He is just born. He cries because of the sharpness of the cold. He wails because of **the great coldness** which enfolds the whole world. Like the shepherds, you too, bring Him simple gifts. Your priestly heart, filled with love, becomes Him His great comfort.

And do you also welcome the great announcement of joy that is given to you today: His second birth in Glory is close at hand. (...)

You too are coming to the end of the time of the **Second Advent**. So therefore, live with Me and with My spouse, Joseph, the precious hours of this new vigil.

Let a **deep silence surround you** the great noise of words and of images, which today is filling the whole world. Let the prayer of the heart bring you to a continuous loving dialogue with the LORD JESUS Who has come, **Who comes and Who will come in Glory**. (...)

Go forward safely on the tempestuous waves of these last times of the great tribulation, without becoming troubled at seeing that the doors are still closing to JESUS CHRISTUS, **Who is coming**. My Immaculate Heart is the bright Cave, which brings to an end this **Second Advent**, because it is with its triumph that **JESUS will return to you in Glory**.”

(MARY through Stefano Gobbi, on December 24, 1991)

My LORD JESUS told me several years ago about this message:

“Speak (think together) about everything with My MOTHER!”

We must know that the LORD said through Marguerite from Chevremont in Belgium that **She is our guide** – in our life and to Heaven.

So I learnt more and more to do **really everything with the help and the advice** of our Heavenly MOTHER. Very **often Satan is coming** into my mind with temptations of bad things or doubts. **Usually**, when I call the help of my Heavens’ and Divine MOTHER, **doubts or bad thoughts disappear immediately**.

We must remember that **GOD has chosen a woman to destroy Satan** as it is told in the Bible after the fall of Eve and Adam.

So I ask you **when doubts about the new birth of the LORD are coming** as they had come also to me, call your Divine MOTHER for truth and help. In one book with the revelations through Marguerite She spoke about these Words:

“I was coming for the poor and the weak. You have a MOTHER,
but you do not call Me!”

Sanctification of souls in Niedaltdorf, nearby Saarlouis and Sierburg (Germany)

Here is the message of JESUS to Gisela Maria in the small sanctuary **Niedaltdorf**. She asked him about Međugorje:

„There is a big place of Mercy (Međugorje), same as a small place chosen by My MOTHER as Gratitude for the Priest that I have chosen. Everyone who visits this place will be sanctified.“

(JESUS to Gisela Maria, 10.2.2001)

One of the first copies of the cave where the apparition from Lourdes happened was build on the German soil in Niedaltdorf. The cave was inaugurated in 1890. In 1865 already the **parish St. Rufus was dedicated to Heavens' QUEEN** on the occasion of one people's mission.

On the request of his municipality, the then priest Rausch decided to build Lourdes-cave. The cave was built within the parish church. In 1944 the whole parish solemnly promised, due to the threatening danger of the war, that they will **particularly celebrate 15 August as a feast** and will take care for embellishing and maintenance of their parish church. War damages of Niedaltdorf were minor compared to the one in surrounding places and no inhabitant was killed.

In the first decades after the consecration, many pilgrims have come to Niedaltdorf. **Pilgrimages to that place** have become the habit in many parishes. The special relation towards the Lourdes-cave exists nowadays and the respect of MARY. Furthermore, the church possesses imitation of Turin grave cloth.

Niedaltdorf is part of the municipality **Rehlingen-Siersburg** in province region **Saarlouis** (Saarland). Neighboring place is **Hemmersdorf**. For sojourn in Niedaltdorf 12 hotels are available.
