

Religious statues, images and Sacramentals as anchors for salvation

Messages given of JESUS and MARY

"For I promise, My children, all who keep the monuments, the statues, in their homes will be saved."

- Our Lady to *Veronica Lueken*, New York-Bayside, August 13, 1977

"The monuments, the statues, must be kept in your homes. As it was in the days of old, the angel of death shall pass by those who retain the monuments in their homes."

- Our Lady to *Veronica Lueken*, New York-Bayside, May 18, 1977

"We ask that you return the statues to My churches, that you restore the main Altar, that you replace the gating so that others may kneel in adoration to their GOD."

"Keep your monuments in your homes, your statues. Wear your sacramentals, for graces are needed to offset the forces of evil that are now raging to ravage the world."

- JESUS, June 18, 1976

"You must restore to your homes the pictures, the objects of worship, the statues, so that your children will receive a small knowledge of the existence of the eternal Kingdom."

"Your children must have the statues and the relics as constant reminders of the road they must remain on. The world outside your doors now is a world of Satan."

"You must return to your homes and My Son's House the monuments, statues, My child, of godly nature. Your children cast their eyes upon the creations of Satan now."

"Sodom and Gomorrah are nothing compared with the malices and depravities of this basely world!"
(Words of JESUS by *Marguerite*, June 1992)

"My daughter, the world is in its decline!
World purification has begun."

(Message through *Christina Gallagher*, Ireland)

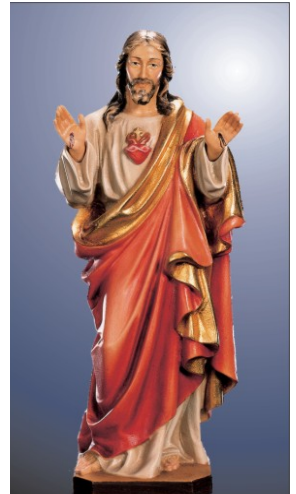

"Satan is playing with you and with your souls and I cannot help you because you are far away from my heart. Therefore, pray, live My messages ..."

(Blessed Mother of GOD, *Medjugorje*, March 25, 1992)

"I am looking into your wounded and restless hearts. You have become lost, my children. Your wounds from sin are becoming greater and greater and are distancing you all the more from the real truth." (Message to *Mirjana*, *Medjugorje*, on March 2, 2009)

"The priests of this century have been sleeping.
Because you priests of this century have been sleeping
I push you down to hell!"

(The LORD to a victim soul, *Medjugorje*, about 2009)

Religious statues, images and Sacramental as anchors for salvation

Messages given of JESUS and MARY to Veronica Lueken, New York

"For I promise, My children, all who keep the monuments, the statues,
in their homes will be saved."

- Our Lady to *Veronica Lueken*, New York-Bayside, August 13, 1977

"The monuments, the statues, must be kept in your homes. As it was in the days of old,
the angel of death shall pass by those who retain the monuments in their homes."

- Our Lady to *Veronica Lueken*, New York-Bayside, May 18, 1977

"Do not discard the monuments, your **statues**. Do not fall into the fallacy promoted by many that you must cast them aside as being worshippers of idols. O My children, you do salute your flag; you do build in bronze and stone the figures of those who had prominence in your world, so why cannot you build in bronze and stone the images of the personages of Heaven?" - Our Lady, December 7, 1976

Miraculous photo taken in Vietnam – the statue is surrounded by the fire of GOD

"Do not, My dedicated, take away the **pictures and statues**, for then the children will cast their eyes on things of the world. We will be just a memory, a legend, to them. "

- Our Lady, November 21, 1970

"Clergy in My Son's House, His Church upon earth, will you **not return for the children the statues**, the monuments of faith? The children must have a firm foundation. Their minds are not matured enough to know, in feeling within the heart, the **existence of peoples in Heaven**. These statues, monuments, must be returned to My Son's churches."

- Our Lady, July 14, 1979

"My child and My children, be it known now that We have looked into the churches about the world, and We are much confused and perhaps cannot understand the nature of humans who can in such little time do **so much to destroy My Church**, My House upon earth. You must restore My houses to their original condition.

We ask that you return the statues to My churches, that you restore the main Altar,
that you replace the gating so that others may kneel in adoration to their GOD.

This is only the beginning; there is much else that you, My pastors, can do, and those who wear the mitres shall do, or **they shall find themselves quickly in hell.**" - JESUS, August 21, 1985

"In your search for peace and **brotherhood**, you are building another **religion, My children. It is a false** religion of humanism and modernism. How many warnings were given to you in the past, warnings against these forces, the forces sent out from hell!

You pastors who have rejected Michael as the guardian of the Faith and My Son's House, you must return him in prayer and visual sight,
his monuments,

his statues to My Son's House, Church." - Our Lady, June 18, 1976

"My Mother has gathered Her children throughout your world. None shall fall unless he falls of free will. **Pray a constant vigilance of prayer**, My children.

Keep your monuments in your homes, your statues. Wear your Sacramental, for graces are needed to offset the forces of evil that are now raging to ravage the world."

- JESUS, June 18, 1976

"We are displeased, discouraged, and disheartened, My children, at watching inside the homes of many. The 'many' has become multitudinous, My children. We find much lacking in the homes. The **family life has deteriorated and corroded**. Little by little, We see the structure of the family life disintegrating. There is little discipline and **not holiness**, by far, in many of these homes, My children. The teaching is poor, to say the least.

You must restore to your homes the pictures, the objects of worship, the statues, so that your children will receive a small knowledge of the existence of the eternal Kingdom

and those inhabitants of the spirit. Unless you do this, My children, **your children in turn will be lost to you**, and to the Kingdom of the FATHER." - Our Lady, August 14, 1975

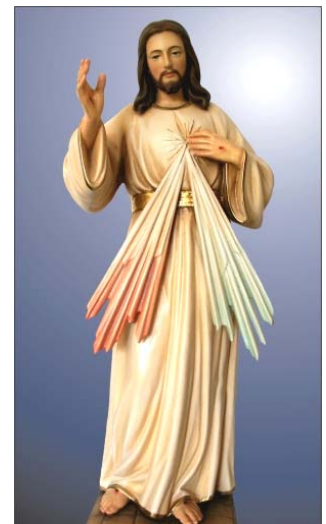

"You must use everything given to you in the past: the Sacramental, the monuments, the statues.

My children, while you remain in your human nature you will be tempted and tried. **Many shall fall away from the Faith**. Many shall sell their souls to get to the head." - Our Lady, February 1, 1978

"Avoid all occasions of sin. Pray a constant vigilance. **Gather all the Sacramentals** you may have hidden for years from your children and your families, and I say this, hidden, for many have cast aside the use of any relics in their homes.

Your children must have the statues and the relics as constant reminders of the road they must remain on. The world outside your doors now is a world of Satan.

Many shall find with sadness to their hearts, that **they try to come back too late** onto the road to Heaven. **There will not be time for many to return**. Prepare your household, My children." - JESUS, February 1, 1978

"The monuments, **your statues, they must be kept in your homes**, for all who keep them in their homes will be saved." - Our Lady, February 1, 1971

"You must return to your homes and My Son's House the monuments, statues, My child, of godly nature.

Your children cast their eyes upon the creations of Satan now. They are soul destroyers. **Bring back into your homes all the monuments of God, the statues.**" - Our Lady, October 3, 1973

"But I assure you, My children, as I counseled you in the past, you will **wear your Sacramental**, and you will **keep the monuments, the statues, in your homes**.

I ask you as your Mother, too, not to give in or give up in this struggle to retain a semblance of the Church of My Son upon earth. You will speak out and continue to approach the clergy in your parish. **The monuments, the statues must remain.**" - Our Lady, July 25, 1979

"All who hear My voice, who accept My counsel, will be saved. My children, do not cast out the monuments, the statues, from your homes.

They are not relics to be adored. We hear all of the complaints and the disparancies coming in relation to those mementos that you have, My children. You must understand, ignorance is often the reason for these accusations of worshipping idols and statues.

My children, it is only because they do not have the Faith, or they have lost the Faith, and they cannot understand. Pray for them, My children. You cannot accuse or punish a blind man, but you must try to help him so that he will understand and live a life approaching the light. If you cast him off, he is lost."

- Our Lady, September 28, 1977

Miraculous photo taken in Vietnam – the sign of fire and JESUS double

"I know, My children, in My House upon earth they have thrown out the Angels, the statues, calling them irreverent, calling them objects of worship.

We know that is not true. But they have adopted that attitude, and that is why I say that even many wearing the highest rank in the hierarchy are like rats burrowing into the foundation of My Church. They, too, **shall be judged.**" - JESUS, July 25, 1985

"Do not abandon the statues and holy relics for modernistic sculpture and pagan artifacts. Protect the innocence of your children.

You must be most careful and monitor their training, both in religion and sectarian training. My children, I do not want a schism and division in My House upon earth, My Church. Convert the unbeliever. Do not compromise your Faith. Heresy, O mournful heresy, condoned and permitted in My House! **Do you seek, O clergy, to recrucify Me?"**

- JESUS, September 7, 1979

Signs of fire before an image of the Divine Mother

"Remember My past direction, My children, to you all to keep your Sacramentals about you.

Retain in your household the monuments, the statues, that are fast being cast aside. Know that Satan would like to take from you the knowledge of the supernatural,

even to camouflage his own existence by setting up skeptics, scoffers, and intellectuals who are ever seeking but never coming to the truth.

Protect your children from all of the evil that abounds. When they leave your homes, **protect them with their Sacramentals.** Keep a daily constant reminder of their faith within their hearts, and this you can be helped to **attain by keeping the statues, the visual effects** that will retain in your children's hearts the knowledge of the truth of their faith." - Our Lady, November 22, 1976

"Many miracles and prodigies shall now be found upon earth; but beware of those that Satan creates. Test the spirits. Satan cannot hide long his plan, My children and My child, so do not fear him. Fear is a tool of the devil. Just prepare to thwart him by **wearing your Sacramentals**, keeping your **holy water** in your homes, **keeping your statues**, your monuments.

For I promise, My children, all who keep the monuments, the statues, in their homes will be saved." - Our Lady, August 13, 1977

"All Sacramentals must be worn and kept in the homes. The monuments, statues, must be kept in the homes and the House of GOD, for they will not then fall during the trial of chastisement. All who keep My monuments in their houses will not be destroyed."

- JESUS, March 25, 1973

"O My children, continue to send the Message from Heaven throughout the world. Do not slacken in your pace. Persevere and you will be saved. **Keep the sacramentals in your homes and on your children;** they are your armor.

Do not cast aside the monuments of the personages of Heaven, the statues. All who keep these monuments in their homes shall be saved."

- Our Lady, December 31, 1976

"Pray, My children, **pray that this serpent does not come into your home. Protect it with your monuments, your statues.** The evil forces have gathered to remove all knowledge of the Sacramentals and the supernatural from your lives. It is a **diabolical plan** coming up from hell!" – Our Lady, August 5, 1977

"Retain, My children, the statues, the monuments, all Sacramentals in your life, for it will build the light within the souls of your children.

The enemies of your GOD, the ETERNAL FATHER, and the truth, they set themselves to take these from you for one reason: to remove the knowledge of the reality of the existence of your holy saints.

Man has difficulty, in his imagination and thinking, to understand the existence of a world that cannot be seen by the human eye, unless allowed by the ETERNAL FATHER. It is a special grace."

- Our Lady, November 1, 1975

"The statues, the monuments must be returned to the House of GOD. For what enters through the eyes and the mind leads to contamination or edification of the spirit.

Keep pure and holy thoughts entering your mind, for it is also the focal point of entrance for the evil spirits." - JESUS, November 24, 1973

"Wear your Sacramentals; do not cast aside the monuments and statues and objects of godly nature, for all who keep these in their houses will be saved. Amen, amen, I say to you, unless you turn back now, your country shall not escape a great Chastisement." - JESUS, May 30, 1974

"The images have been removed from my convents. I am very sad. The children have forgotten me;

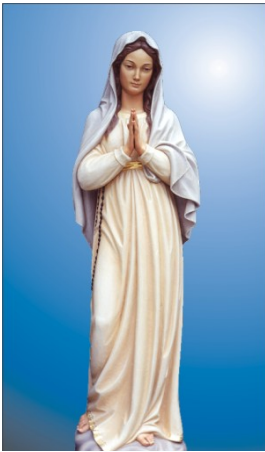

the children will forget all. The **images, statues, must be returned** to the houses of GOD and the homes." - St. Theresa, December 7, 1973

"The monuments, the statues, must be kept in your homes. As it was in the days of old, the angel of death shall pass by those who retain the monuments in their homes."

- Our Lady, May 18, 1977

"Remember, My child, **out of sight, out of mind.** That is why **Our statues have been removed** from among you and replaced by the edifices of Satan. Out of sight, out of mind!

And how many have My Son in their hearts today? **How many of your children are being misled? How many have already fallen** into the abyss? Woe, woe to the parent who does not heed My words and act upon them! You will be crying tears of anguish, gnashing your teeth, **too late! Too late!**"
- Our Lady, October 6, 1974

"The greatest barrier is **intellectual pride** among the men of GOD. Once they remove this barrier by much penance and return to prayer, the blindness will be taken from them and they will see the errors of their ways. Pray, My children; pray much for them. The power of prayer is great with the FATHER.

The monuments must be returned to the houses of GOD.

Veronica – "Our Lady means statues."

"The children must have **replicas of solid nature to cast their eyes on**. For what enters through the eyes comes into the mind. And what comes into the mind develops and comes out again. **What have you given** upon earth for your children to absorb but sin, **depravity, and loss of the knowledge of GOD.**

All who keep the monuments in their homes and houses will be saved."
- Our Lady, September 7, 1973

"The righteous heart cannot condone nude statues in My churches, the practice of the occult such as reiki or any New Age encounter. To speak against something, but not to take action against it when you are able to stop it, is the same as condoning it. The duplicitous heart is guilty in My Eyes. If you are sensitive to My words, it is because you recognize your own guilt. I have come to heal the sinner and bring him into Holy Love." Our Lady to Maureen Sweeney-Kyle, October 5, 2005

"Dear children, tonight I have come to help you see more clearly the choices you must make. These times in which you are now living are very difficult, for the differences between good and evil have become obliterated by compromise. **Mankind has placed itself at the center of the world** instead of GOD. **No longer is pleasing GOD a priority.** Man chooses over and over to please himself through money, power and every sort of worldly gain.

Little by little, good souls, souls once consecrated to My Immaculate Heart, are **slipping away from Me in pursuit of temporal pleasures.** Even in the Catholic world where I was once Queen of the Most Holy Rosary,

My statues are being removed and the rosary is not respected anymore. This is why your Heavenly Mother weeps."

Our Lady to Maureen Sweeney-Kyle, September 15, 2008

The seer Veronica Lueken from New York-Bayside

The following messages were given through *Veronica Lueken*, New York-Bayside, in the years between 1970 and 1980. *Veronica* was a City housewife with 5 children living ordinarily in *New York*. Called as the seer of *Bayside* she was the recipient of heavenly messages from JESUS, OUR LADY and many Saints for over 25 years.

Veronica was a **victim soul for the pope and the Roman Catholic Church**. She suffered enormously and was called "**Veronica of the Cross**". *Veronica* was 72 when she died in 1995. Many mystical experiences began to occur, as *St. Theresa* gradually introduced *Veronica*

into the way of the spiritual childhood. (www.tldm.org/directives/directives.htm) The LORD told that it is His WILL to make **these revelations in Europe** well known.

The Testimonial of the priest Robert Skurla

“The messages of Bayside restored my confidence in the Catholic Church once more. I will stake my reputation, if that means anything, on the doctrine contained in the messages. The doctrine is the same as I was trained in over the years.”

This most remarkable sermon on the *Bayside* Apparitions, delivered at a Holy Hour on Palm Sunday, April 4, 1982 in St. Peter's Cathedral, Scranton, Pennsylvania by *Robert Skurla*, an Eastern rite priest serving at the time in the area, **forced some mainstream U.S. Catholic newspapers to take notice of Bayside**. An article in the *“Our Sunday Visitor”* characterized *Skurla* "as a priest of certain stature . . ." who later became the **chaplain and custodian of the Blue Army Chapel in Fatima**, Portugal, the chapel which housed the world famous icon of OUR LADY of Kazan, national Patroness of Russia.

Priest Robert Skurla:

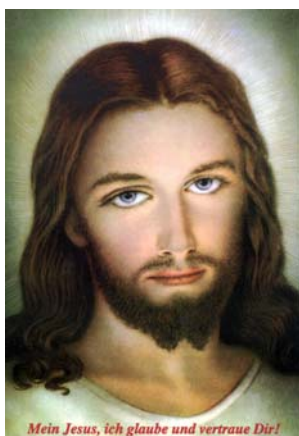

“History has recognized **another Veronica - Veronica Lueken** - a simple housewife like many of you, to whom JESUS and MARY have appeared for over ten years. For the most part, **the devil has kept this information from most of us**. Ah, but wouldn't the devil like to prevent me from going on, and keep my mouth shut!

JESUS and MARY have appeared to Veronica on the evening of all major feasts of the Catholic Church. Going **against the popular opinion of Church leaders** and the mainstream, Veronica of Long Island has been willing to **accept all the crosses** involved in being the voice box, the transmitter of the messages from JESUS and MARY to their children. Now, if there are divine chastisements and punishments coming to the earth and the people in it, do you think that JESUS and MARY would sit back and let these things happen without warning us?

Medjugorje, July 18, 1985:

JESUS about the images of His Mother to *Carmela Carabelli* from Milano:

“Worship Her images to which I am giving great might.”

A sample: The Mercy of GOD with an image of the Holy Face of JESUS

**The Holy Face – a Shield of Protection
in the Divine Judgement to come very soon**

“Those who have retained My Divine Image in their homes - with devotion and love
in their hearts - will be preserved from the judgement to come.”

Promises – given by Jesus through Carmela Carabelli, Mailand (1934-1974)

“All you do for Me, will be **returned hundredfold**. I thank you for spreading the image of My Holy Face. I will **bless the families**, who retain My Image in their homes. I will **convert the sinners** living there.

The good ones I will help to **perfect themselves** and the lukewarm to become more fervent. I will **bless their interests**. I will care for their needs and I will assist them in all their **spiritual and material sorrows**. Do often appeal to Me with following words:

Merciful Jesus, we trust in You, have Mercy on us
and on the whole world.” (April 1969)

“Those who have retained My Divine Image in their homes **with devotion and love**, will be prevented from the **Divine Judgement**. For, like the old Hebrews have marked their houses with the blood of the paschal lamb and were thus protected from the strangling angel, so it will be in those sad moments of judgement for those **who have honoured Me through exposing My Image.**”

(JESUS through *Carmela Carabelli*, September 1968)

“Give My Image as a **gift to everybody**, to known and unknown persons, and attend your gesture with a silent prayer and a kind word or wish in your heart.

This Image will bring you, who spread it, **spiritual benefits** and it will effect direct and astonishing transformations within those who welcome Me with love and gratitude.

It is a **great gift and a powerful remedy** I want to offer to all mankind. My heart is pierced and incensed by the numerous sins committed by the innumerable souls who to be lost. Now I have chosen this new remedy and I implore your help like a beggar for alms. Do you want to help Me?

I am **blessing you** yet and I assure you to fulfil My promises. It is My urgent desire that you **assign especially young people to spread this mission** in schools, in asylums and similar institutions.

But you as well, **invoke My Holy Mother to assist you** so that My Holy Image can be welcomed in every home, so that step by step **I can enter the hearts of all people** to make them happy and thus to save them.”

(JESUS through *Carmela Carabelli*, April 1969)

This will lead to astonishing transformations within those,
who welcome Me with love and gratitude.

Revelations to an unknown woman in Southern Germany

„My children, in the **disastrous days** which are to come upon all mankind the Holy Face of My Divine SON will be of **great help** in which My true children will find refuge. The Holy Face will be a true **oblation to mitigate the chastisement** coming upon humanity.

Those homes who retain the Holy Face **will have light to be**

protected from the power of darkness. I will instruct My angels to mark the homes in which My Holy Face is exposed.

My children will be **prevented from the evils** to befall the whole ungrateful humanity.

My children, be **apostles of the Holy Face** of My Son and spread it everywhere! The more you propagate and put it to a preferred place in your homes the more **marginal will be the catastrophes.**" (Words from God, the FATHER).

Always sacrifice My Most Holy Face to the Heavenly FATHER
and He will have Mercy on you!

I ask all of you to **venerate My Divine Face** and to put it to a preferred place in your homes so that the Heavenly Father will **outpour many graces on you and forgive** you your sins.

My children, try to say at least a **short prayer every day** to My Holy Face in your homes! Never forget to **salute and to ask for His Blessing** before going to bed! Thus you will safely and happily reach your heavenly homeland!

I assure that all who have a special devotion to the Holy Face will be **warned about coming dangers and catastrophes.**

I solemnly promise to **preserve all** who propagate the devotion to My Holy Face **from the chastisement** coming upon the whole mankind. In addition they will **receive light for the terrible days** of confusion approaching the Holy Church. In case they will come to death during the Divine Judgement they die as martyred and will therefore attain holiness.

Truly, truly, I assure you, that those who are **spreading the devotion to My Holy Face** will attain the grace that **none of their family members will be condemned** and those who are still in purgatory will be freed soon. But all of them have to come to Me through intercession of My Most Holy MOTHER!

All who venerate the Divine Face will receive a **great light** to recognize and **understand the secrets of the last times.**

In the heavenly homeland they will be very close to the Saviour Jesus. All these graces they will receive as venerated of the Holy Face.

Don't lose these graces, for it is easy to lose them again."
(Words from JESUS)

"You are created by GOD to earn Heaven and I expect you to help Me, to regain Germany for Heaven. You must pray, you must trust Me. **You must consecrate to Me every day** your family, your parish, your country, your entire country of Germany!"

The judgement will pass by those
who have honoured the Image of My Holy Face.
(Medjugorje, October 2007, to a soul in state of grace).

For many years the LORD has **forecasted again and again the Divine judgement of atonement** predicted in His Holy GOSPEL for the END TIMES. JESUS, His MOTHER MARY and the Saints have **repeatedly called to conversion and to turn away from sin** and profane things.
